

## Mana In The Morning – Parenting Class

1. Talk about who we are/how we were raised and how that influenced raising children
  - we moved here to start a company
  - church was going through changes
  - we moved to another state with an infant, toddler and another on the way
  - we had three children in four years
  - no immediate family close by
2. Our marriage at that time/stress
  - how to view or solve issues
  - God is changing you at this time.
  - Career?? responsibility for another's well being
  - You are adding a new life, then another, then sometimes another. That's a lot
  - Gal 6:1-2 You who are spiritual ....Carry each other's burdens. It doesn't say correct.

Be patient with one another.

  - Col 3-13-14
3. What did we expect from one another
  - we were a traditional family in our values
  - help with discipline
  - grace from one another
  - Robin didn't always want to be the disciplinarian and dad show up and be the fun guy!!
  - Resolve problems and conflict privately, apologize to our children when we argued in front of them.

Robin was adamant about this.
4. How I view God as having all authority, our relationship to him in relation with obedience from our children honoring us as their parents
  - We are training children to be adults.. What are the characters we should grow in; LOVE, Patience, kindness, gentleness, self-control,
  - What can a child do without an adult???????
5. TRAINING a child in the way they should go; and when he is old; he will not depart from it  
Prov 22:6 (KJV)
  - We viewed discipline as training, not as an obstacle, but as guiding them towards spiritual responses and how to do that.

This portion we have a lot to share about.

6. What we worried about and shouldn't have and what we would consider important today!
7. What we would suggest you do... "Do it all for the Glory of God". Your family can honor God how would see yourself doing that???
8. We are always willing to Listen, talk and encourage anytime.
